Heart of Hope is the only residential maternity home and school in NWLA dedicated to the care of young women and their unborn babies. We provide prenatal, educational, emotional, and spiritual care. Our young women are supported by a fun-loving Christian couple along with additional key staff members who model a traditional family. In this safe environment where mistakes are met with unconditional love, our young women are released into a purpose driven life and become contributing members of our community. While continuing their education, our teenage moms are deciding on their parenting choice; to be a single mom or place their child in adoption. We are creating a better future for young families and ending the cycle of school dropouts, government dependency and life of poverty.

**Our funding:** As a faith-based organization, we do not receive federal or state government funding. We strive to raise half of our budget through our four annual fundraising events and the rest through business, individual, and church donations. Our **Golf Classic** has been instrumental in expanding our residential services! Through your faithful support, Cottage II, opened in January 2024 allowing two new moms and their babies to thrive in a safe and goal-oriented environment. **Please consider helping us impact generations** by partnering with us in one of the best golf charity events our community has to offer, **Heart of Hope's Annual Golf Classic!** In addition to a great round of golf at the legendary Querbes Golf Club, participants will enjoy an extravaganza of food, fun, and great gifts and prizes!

Please contact **Jodi Burns at (318) 925-4663** if you would like to sponsor or you can simply visit our website at [Golf Classic Registration and Sponsorship](#)
